Are you tired of getting angry at your kids? Do you find the constant power struggles exhausting?

If so, this online summit is for you! The summit's focus is empowering parents to be patient, present, and loving with their kids - and I'm delighted to be one of the world renown parenting experts who received the special invitation to take part in the replay of this massively successful summit.

Parenting is hard! We all lose our cool at some point, and it never feels good. I want you to know there is another way of parenting that helps you feel closer and more connected to your child.

**This is what you will get from this FREE summit:**

- ✓ Powerful Interviews with highly sought after experts, many of which are internationally best-selling authors and involved in the latest research in their field
- ✓ Authentic, honest and inspiring conversations which will transform the way you think about parenting

**Here is what you will learn:**

- ✓ Be more patient with yourself and your child
- ✓ Decrease stress from parenting
- ✓ Reduce anger and frustration between you and your child
- ✓ Be more mindful so you can be present with your child
